Dear Members,

I would like to thank those members who were able to attend the OP&F Pension Board meeting held on May 17, 2016.

Many of those members had their eyes opened. They listened for nearly two and a half hours while the consultants gave their second report on their recommendations concerning our health care. While a discussion was held on all thirteen points in the report, no action was taken at this meeting. However, a decision must be made at the **June 28, 2016 meeting** so that these changes can be implemented for the 2017 annual change period. Remember these changes being considered will affect all our members to different degrees. We will need your help to try to minimize any changes that the board members will be making at this meeting. So once again I am calling for your support. Those of you that can make it please make the effort to attend the **June 28th OP&F Pension Board meeting at 10:00 am, 140 E Town St, 7th Floor, Columbus, Oh 43215**. This will be our last chance to make a difference.

As of **May 18, 2016**, these changes will take place in 2017.

- Prescription plan premiums will increase 5.8%
- **NonMedicare eligible:** UHC Healthcare premiums will increase 3.2%
- **Medicare eligible:** Any increase to AARP Medicare supplements will be announced later in 2016

Look for the updated figures on our website at pfro.com.

Please continue to look at our Facebook for updates. We are starting to use

our Facebook page to reach out to our members. Please "like" us at "Police and Fire Retirees of Ohio." If you have any information to add to our page, contact us by email, pfro@pfro.com.

Thank you to all members for your continued support. Remember there is "Strength in Numbers."
